Recommendation letter

It is with great pleasure and enthusiasm that I am writing to endorse Lisia Polana Golf Club team. For the past 10 years, I have been organizing Golf & Wine Day Tournament in Poland as well as taking part in many golf events in Poland and abroad. I hope my recommendation will be helpful to evaluate this exceptional team.

My first contact with Lisia Polana team was in 2006, when we organized the 3rd edition of Golf & Wine Day in this newly open golf club in Warsaw area.

Until then, Golf & Wine Day took place 5 times in Lisia Polana Golf Club. Latest edition was held in September 2012.

Lisia Polana team always demonstrated a unique sense of service, creativity and professionalism.

During 2012 Golf & Wine Day Lisia Polana team managed:

- Golf Tournament organization for 80 players.
- Golf Academy & Attractions for 200 guests.
- Catering for 280 persons.

As usual event preparation and service were perfect. The fantastic catering overwhelmed all guests, sponsors and prestigious partners such as champagne MUMM and MIELZYNSKI wines.

I fully recommend this team for any golf related event for demanding customers.
